

We prioritize the use of high-quality ingredients for the benefit of not only taste, but also for the welfare of humans, animals, and the environment. We work closely with our friends at Horgen Farm, they supply organic, grass-fed meat, eggs and vegetables from regenerative farming. The organic and animal protection-labelled chicken comes from Hovelarud Farm.

All dishes are perfect for sharing between family and friends, but can also be enjoyed individually.

ALL DAY 11-20

OYSTERS WITH ROSES & HIBISCUS ^(MO)	1X 62 / 6X 360 / 12X 695
